

SAVOX

SAVOX HC-1 ATEX IIC T4 Helmet Com

The SAVOX original HC-1 is a compact helmet communication system (helmet-com®) for professionals working in hazardous conditions. It easily mounts into most helmet types and provides clear and hands-free communication. The SAVOX HC-1 is field-prove for over 20 years by fire fighters and emergency services personnel. Ex version available.

Key Benefits

- Dirt protected (IP56)
- Bone conductive microphone located inside the helmet
- Stays clean and intact compared to a boom microphone
- Speech is picked up through the skull, therefore can be used with or without a face mask
- Includes separate speaker adapters for MSA Gallet helmets
- Unique fastening strap that easily mounts into most types of helmets
